Appreciation Song for you Marshall on the melody of an Irish Song: "May bring us the streets together" .

Now my own text for you:

"May our hearts bring us together.

And so remain here and everywhere.

Strong are the words with all of us
bringing feelings in a painful way.

And when we then can clarify,
is relaxation within reach.

Thank you Marshall für your work
making peace possible for all of us."

In German:

"Mögen die Herzen uns zusammenführen.

Und so bleiben hier und überall.

Stark sind die Worte mit uns allen,
bringen Gefühle vor auf schmerzliche Art.

Und wenn wir dann klären können,
ist Entspannung greifbar nah.

Danke Marshall für deine Arbeit,
die uns Frieden möglich macht.

We are forever full of gratitude for your tireless planting & nurturing of so many seeds of Love in your lifetime. We feel so blessed to be planting seeds of those now-fruits in the hearts of families...plus we have the companionship of a wonderful tribe of fellow-giraffes from around the world. What a joy! May you feel the love & gratitude you're held with in so many hearts on this beautiful planet. With deepest appreciation and love,
Happy Birthday!
